In 2013 Fennimore lost a special child, Derek Lendosky. Derek loved baseball and died a few days after the 2013 Fennimore Baseball Boosters Tournament. To honor his memory Fennimore Baseball Boosters changed the name to dedicate this tournament to Derek. From now on our tournament will be known as the Derek Lendosky Memorial Tournament. Part of the proceeds will be used each year for a scholarship for a senior baseball player from Fennimore. We would love you to come play in our tournament and know Derek will be looking down from Heaven watching the games.

Great facilities, two fields side by side, lighted, full concessions on both diamonds.

Age cut off date is May 1.

Last years tournament filled up fast, so register early.

Minimum Games Guaranteed: 3

Maximum Teams Allowed: 12

This is an open format tournament, which means teams can be league teams, travel teams or combination of a couple league teams.
